

DEOMATIC

Joint de frigo et Chambre froide

Spécialiste en pièces détachées pour matériel Horeca

DEOMATIC

Horeca - Industrie

Fondée en 1979, DEOMATIC s'est imposée comme un acteur de référence dans la distribution de pièces détachées pour les cuisines industrielles et le secteur HORECA.

Notre force réside dans l'ampleur et la précision de notre offre :

- **Un catalogue exhaustif** de plus de **40 000 pièces** déjà répertoriées.
- **Une gamme en constante évolution**, étoffée quotidiennement pour répondre à tous vos besoins.

Pour garantir la continuité de votre activité, nous vous proposons :

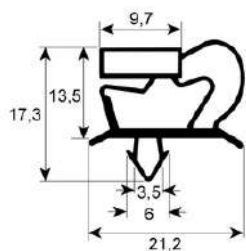

Une flexibilité totale : retirez votre commande à notre comptoir ou optez pour une expédition rapide.

Un support technique expert à votre écoute pour intervenir sur vos opérations de dépannage et de maintenance.

Nous proposons une large gamme de joints disponibles en stock. Sur demande, nous assurons également la commande et la fabrication sur mesure afin de répondre précisément aux besoins de nos clients.

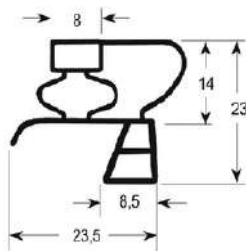

Pour la prise de mesures, si le joint est à emboîter, il est nécessaire de relever les dimensions d'emboîtement (gauche), tandis que pour un joint à bavette, ce sont les dimensions extérieures qui doivent être mesurées (droite).
